

## Patch panel MK 24/8

for 24 modules with Keystone fitting

shielded / unshielded

Dust shutters in various colours

Patch panel MK 24/8

### Description

Shielded 19"/1U patch panel for up to 24 RJ45 modules (shielded and/or unshielded). Anodised aluminium, silver, and light grey plastic, similar to RAL 7035. Snap-in modules can be easily fitted into the patch panel. The patch panel is supplied with dust shutters and labelling fields. The dust shutters can be individually replaced. Delivery without modules.

### Application

Suitable for the following Datwyler modules:

- RJ45 module MS-C6A 1/8 Cat.6A 180°-K (Keystone), shielded
- RJ45 Keystone coupler, shielded, Cat.6 Link / Class E, 180 degree (straight)

### Electrical properties

EMC shielded
