

Patch panel KS 48x-a, angled

for 48 modules with Keystone fitting
shielded

Shielded patch panel KS 48x-a, angled

Description

Shielded 19"/1U patch panel for up to 48 modules with Keystone fitting. Snap-in modules can be easily fitted into the patch panel. Due to the angled front it is possible to patch without any cable management panel. Front colour black, similar to RAL 9005, with labelling strips. Strain relief with tie wrap. Delivery without modules.

Application

Suitable for the following Datwyler modules:

- RJ45 module KS-TC Plus Cat.6A (IEC), shielded
- RJ45 module KU-TC Plus Cat.6A (IEC), unshielded (upcoming)
- RJ45 module KS-T8 Class I, tool-less, shielded

Electrical properties

EMC shielded
