

HD-DCS patch cable management set 0U

4 patch cable management elements, detachable label plate

HD-DCS patch cable management set 0U for HD-DCS modular panel

Beschrijving

The patch cable management 0U comes in a set of 4 pieces.
Patch cables can be routed easily within the same rack unit of the modular panel.
No additional rack unit needed for patch cable routing.
An appropriate label plate including label cover is part of the set.
The label plate can be fold down during the patching process for additional space.

Toepassing

Het rangeerpaneel wordt gebruikt voor de passende geleiding van de patchsnoeren in glasvezel in alle 19" IT racks en kasten.

Leveringsomvang

HD-DCS patch cable management set 0U includes the following preassembled parts:

- 4 cable guides
- 4 label plates
- 4 label plate covers
- 4 paper labels (preprinted)
